REGISTRAR.

SECRETARY
SPH
26 MAR 1953
HEALTH DEPARTMENT

UDIPI
24th March, 1953

15604

The Secretary,
Government of Madras, Public Health Dept.
Fort St.George,
MADRAS.

Sir,

Kasturba Medical College at Udipi starting work in June,1953 - arrangements for storing dead bodies completed supply of destitute dead bodies desired from now on - necessary direction may be given expeditiously-

I desire to intimate that the necessary arrangement (cold storage chamber) for preserving dead bodies pending use in the Anatomy theatre of the above College has been now completed. As it is proposed to start imparting of instruction from June,1953,there is need to secure dead bodies sufficiently early i. e. from now on. I am therefore to request the Government to issue instructions to the Government hospitals' authorities that, whenever destitute dead bodies are available, they may be handed over to the College. I further - - suggest that the order of priority of places wherefrom these dead - bodies could be made available may, if possible and convenient, be - from:-(1) South Kanara (2) Malabar (3) Coimbatore and (4) Salem Dts.

On receipt of due intimation by the College, suitable arrangements to receive and transport the dead bodies will be made by the College.

I request early attention and reply.

Special

Yours faithfully

(T.M.A.Pai)
REGISTRAR.

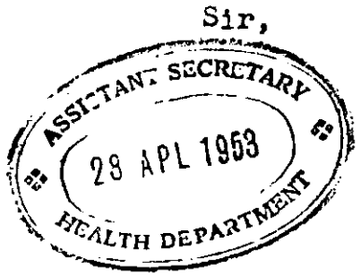
Dr. P. Arunachalam, MD., MRCP., TDD(Wales) DMR(Lond).
Director of Medical Services, Madras 6

To

The Secretary to Government, Health Department, Madras.

Ref. 32456-M/53 dated 25--4--53.

Sir,



Sub:- Act- Madras Anatomy Act 1951- Extension to the Municipal-Areas of Udipi, Mangalore, Kozhikode etc for purposes of supply of dead bodies to the Kasturba Medical College at Udipi.

Ref:- Government Memo No.15604-H/53-1 Health dated 27.3.53.

The following remarks are offered on the points raised in the Government memo cited.

23660

1 The District Medical officer, South Kanara reports that he visited the proposed Kasturba Medical College on 5.4.53 and found that the Physiology buildings are complete and that the Anatomy building is more than half finished. The Registrar of the Academy of General Education, Udipi is reported to have informed the District Medical officer that the College courses will start by 1st June 1953. The District Medical officer also observes that it is most likely that the College will be affiliated to the Karnataka University as the conditions laid down by the University are more or less satisfied. In the circumstances the College may be declared under section 2 (e) of the Madras Anatomy Act, to be a "teaching Medical institution."

2. With reference to Section 1(4) of the Anatomy Act the Act may be brought into force in the Municipal areas of Udipi, Mangalore, Kozhikode, Cannanore, Tellichery, Palghat, Coimbatore and Salem. Cannanore, Tellichery and Palghat have been suggested so as to enable the College to get sufficient number of dead bodies.

3. Yes. If the suggestion in Para 2 above is accepted the Senior Medical officers in charge of the Government Hospitals, Cannanore, Tellichery and Palghat, may also be declared to be the "Authorized officers" for purposes of the Act with reference to Section 3(1) of the Anatomy Act and

4. The Act may be brought into force in the areas mentioned above with effect from 1st June 1953, if by that time the College is established.

Yours faithfully,

for Director of Medical Services.

Ref.No.32456-M/53, dated 17th June 1953.

Sir,

Sub:-Act - Madras Anatomy Act - Extension to the Municipal areas of Udipi, Mangalore, etc. - Declaration of Kasturba Medical College, Udipi as a teaching Medical Institution and declaration of Authorised Officers -

33309

Ref:-Government memorandum No. 15604-H/53-5 Health dated 6-6-53.

A copy of Government memorandum No. 15604 H/53-4 Health dated 9-5-1953 was forwarded to the District Medical Officer, South Kanara and he was requested to report in due course, the date of the actual opening of the Kasturba Medical College, Udipi and to arrange meanwhile for the supply of one or two unclaimed dead bodies from any of the Government medical institutions in the District to the above college. A reply from the District Medical Officer is awaited and a further report will be sent to Government on receipt of the same.

In this connection, I may add that it has since been reported that there are no facilities for preserving dead bodies and for injecting the same before despatch to Udipi in any of the Government medical institutions in South Kanara, Malabar, Coimbatore and Salem Districts. It is further stated that it is not also possible to transport the dead bodies from Malabar, Coimbatore and Salem to Udipi within a reasonable time to prevent decomposition. If the authorities of Kasturba Medical College, Udipi pay for (1) Telegram charges and (ii) arrange for the transport of dead bodies as soon as they receive the intimation, bodies can be sent from Mangalore to Udipi within a reasonable time. The Registrar, the Academy of General Education, Udipi was in the circumstances, requested to state as to how the authorities of the college would arrange to take the dead bodies within a short time from the various hospitals to prevent decomposition, as there are no facilities for injecting dead bodies in the hospitals to preserve them. A copy of letter*dated 28th May 1953 of the Registrar is enclosed for information. In the circumstances I recommend that the Anatomy Act may be brought into force in the Municipal areas of Udipi and Mangalore only for the present.

Yours faithfully,

for Director of Medical Services

p.t.o.

*Copy of letter.

Further to my interview with you at Madras early this week, I request you to issue instructions, for the present, to the District Medical Officer, South Kanara to hand over to our Medical College the unclaimed dead bodies from Mangalore, Udipi, Coondapoor and other places within the South Kanara District, from where the necessary arrangements to transport them to the College mortuary will be made. At the appropriate time, I shall again request you to instruct the hospitals in the other districts, viz., Malabar, Coimbatore and Salem districts to deliver the dead bodies to our college. I may be intimated about your having sent the necessary instructions as now requested.

Health(H.) Dept

extract from the note in C.No. 3560/Q/53.

Please see the letter from Dr: T.M.A.Pai, Registrar of the Academy of General Education on pp.1-3 c.f. The letter contains the following requests, namely:

1. Dr. N. Mangesh Rao may be permitted to accept the post of Principal of the proposed Kasturba Medica College;

2. The lands required in Manipal for the college scheme may be alienated expeditiously.

3. Suitable arrangements may be made in the Mangalore Hospitals so that, after two years, they may have the necessary bed strength for pre-clinical teaching purposes of the college; and

4) dead bodies may be made available for dissection.

4. Stem (4) above Supply of Dead Bodies:

It has been decided that for purposes of supplying dead bodies to the college, the medical college, when opened at Udipi, may be declared to be a teaching medical institution under section 2(e) of the Anatomy Act and the hospital at Udipi as a hospital for the purposes of the Act under section 2(b) of the Act. When the College is opened and application is made, the above notifications will be published in the Fort St. George Gazette. The Registrar may be informed accordingly.

XX

Pl. see the Memo. on fop 3-4 cf and the reply thereto from the DMS on p 11 cf. The intention of the Revisions Secy (Sri S.R. Kannan) was that the provisions of the Anatomy Act may be extended to the S. Kanara and

* A above

Malabar Districts - Vide A on p 2 ante. The DMS suggests that the Act may be extended not also only to the municipal areas of Udipi, Mangalore, Hosahikode, Combatore & Salem as suggested in the Memo. on p 3 ante, but also to the municipal areas of Cannanore, Tellicherry and Palghat with a view to enable the College to get sufficient number of clinical beds. The suggestion of the DMS may, perhaps, be accepted. The provisions of the Act may be brought into force in the above areas with effect from 1-6-53 irrespective of the fact whether the College is opened by that date or not so that the College can secure clinical beds sufficiently early. The Kasturba Medical College may be declared to be a teaching medical institution from the date of its inception.

Spl

Pl. see the minutes of M(H) and ~~[illegible]~~ order of Secy on the previous page. The telegram referred to by Secy has been received from the Bombay Govt intimating the affiliation of the Udupi Med. College with the ~~[illegible]~~ Karnataka University. Action on this communication has been taken in the L.F.

(Q (C No. 37882/53)

The Udupi College may be declared to be a "Teaching Medical Institution" with effect from 30.6.53 for purposes of the Madras Anatomy Act. The ~~[illegible]~~ Act may be extended to the Udupi and Mangalore municipal areas alone at present with reg. to para 2 of the letter of the DMS, on p17/C. Authorised officers under the Act may also be notified for the new areas to which the Act is proposed to be extended. The draft already put up has been suitably altered and placed below. Home and Legal (Scrutiny) may see the draft for acceptance prior to circulation.
